Re: Senate Bill 766

Dear Senator Jackson and Assemblyman Stone:

In the interest of making California not only more available than at present as a site for international arbitrations but equally accessible with other states, including New York, Georgia, Florida and Texas, the California Dispute Resolution Council (CDRC) supports and urges passage of Senate Bill 766.

Thank you very much for the opportunity to take a position on behalf of CDRC on the proposed legislation.

Very truly yours,
